Dear GME Parents and Guardians;

RE: Placements for 2017-2018

If you have information that you believe is important for us to know as we begin the process of placing students for 2017-2018, please share this information with us. Your input will be taken into account as we make placements for all of our 28 divisions for 2017-2018. As you can imagine, this is a complicated process and involves the input of the entire team of teachers, students, support teachers and administration. All students will start the 2017-2018 year in their 2016-2017 class until we finalize numbers and placements as we know there are always changes and surprises in September.

Wendy Briggs
Principal
